## **Regarding costumes**

.....many have arrived, but we are still waiting on many more. The majority of back orders are due to arrive in the next two weeks. There are a few pieces that have been delayed until mid-May. Any student who does not have their costume in time for individual photo's will have the opportunity to get them taken at a later date. We will contact the class(es) affected by the delay individually and keep you updated on any further delays. Costume pick-up days will be posted soon.
