

EMERGENCY CONTACT INFO

The emergency contact person listed on your parent portal needs to be someone other than the name of the parent on the account. Many of you have the same name and number listed here. Please log into your portal and update this information on your students info page. Another parent, grandparent, family member or trusted friend should be listed here incase we cannot reach you. We have had a number of instances already this year where we could not get a hold of the parent on the account and no other number to call.

Halloween Dances October 24-30

Students are invited to wear halloween costumes to class October 24-30 for the halloween dances. Acro students must be able to perform in their costume so choose carefully. Hair pieces/hats do not mix well with acro so please leave these items at home as well as extra pieces like wands, gloves, or swords. Ten minutes prior to the end of each class we will invite the parents in to the building to view the dances. You are welcome to video your child but we ask that you do not post any videos or pictures that may include other students on social media. Thank you.

BAND APP

Students will be able to practice choreography from class using an app called band. You will need to download the app on your device and once we have the links ready to go, you will be able to access the choreography from your parent portal so your student can practice at home. This comes in handy the closer we get to recital or for any holiday dance they are working on.

Just a reminder October 12 is the deadline to sign up to perform in the Holiday Show
